

Visitor Security Card Guide

【Important Notes】

- Please take care to avoid loss or damage of the security card.
If it is lost or damaged, there is a reissuing fee of 1,000 JPY.
- Please be sure to wear the security card around your neck during your visit.
Please also do not remove the card from its case.
- When Leaving

【Security Card Instructions】

- ① Fill in the visitor application at the emergency control center and receive your security card.
(In addition to the representative, cards will be provided for companions.)
- ② Take the elevator to the ward you are visiting.
- ③ A card reader is placed on the wall to the left after exiting the elevator.

(Elevator Hall)

(Card Reader)

- ④ Insert your card into the card reader.
- ⑤ Unlock and open the door to the ward.

- ※When exiting the ward, the door will open automatically, so you do not need to insert your card.
Please be sure to return your card to the emergency control center when leaving.
